

THIEVES LOOT STORE ON UNION

The dry goods store of Arndt Klein, 702 Union avenue, was broken into Thursday night and almost \$2,500 worth of merchandise stolen. The thieves entered the store by using a brass and bit, and then had to force three other doors to get to the merchandise. Clothing of all kinds was taken, including silk shirts and hose, suits, raincoats, shoes and hats.

The robbery was not discovered until Mr. Klein arrived at his store at about 6:40 Friday morning, but it is thought by police to have been committed before the rain Thursday night, as there were no tracks in the yard. Several boxes of merchandise, strewn in the back yard, were damaged by rain. Klein's store was burglarized last summer in the same manner and approximately \$2,000 worth of dry goods and clothing was stolen. Three negroes were arrested for the first theft.

CHAUFFEURS NABBED FOR THEFTS OF FOOD

Impending advance in prices of sugar and other foodstuffs are said by police to have been the incentive for the alleged theft of two 100-pound sacks of sugar, a case of butter and a case of milk by chauffeurs of the Oliver-Pennie Grocery company, and the Peace & Dwyer company. At any rate, police claim to have broken up the system of certain persons getting sugar at greatly reduced prices.

George Tunstall, 31, negro, 665 Kentucky street, chauffeur for Peace & Dwyer company, was arrested late Thursday by Detective Sergeant Quinlan and Joyce and charged with larceny and Petit Larceny. Florida avenue, is charged with buying and receiving stolen property in connection with the alleged theft of one of the 100-pound sacks of sugar. Tunstall is said by police to have confessed he sold the sugar for \$5.

Robert Alexander, 22, negro, 514 North Fourth street, driver for Oliver-Pennie company, also confessed, police say, to taking a sack of sugar and selling it for \$14. Alexander is also charged with stealing a case of milk and a case of soft drinks. In the latter connection Detective Sergeant Quinlan and Hendrick arrested A. Green, 222 North Pauline, and charged him with buying and receiving stolen property.

SCHOOL APPROPRIATION INFORMALLY DISCUSSED

The city board of education will receive ample funds during the coming year from regular sources of income without necessity of increasing the mandatory special school tax of 50 cents. Mayor Rainey believes the major so stated to members of the board in an informal conference Thursday evening. He is confident that the total valuation this year will be close to \$200,000,000. On that basis the 50-cent tax would yield for the schools an additional \$100,000, after deducting uncollected taxes. The city board will also receive two-thirds of the county school tax for the elementary schools, and the city's pro rata of the poll tax collections. There is also a state tax for common schools, in which city schools share with the county.

The increase in salaries of teachers, proposed by the city board, will require nearly \$240,000. The board estimates for teachers' and supervisors' salaries for the coming year are \$758,000. The fiscal year of the schools begins July 1, and for years the teachers have been paid salaries during the entire 12 months, including the summer vacation period when the schools are not in session.

LIGHTNING CAUSES FIRE AT COMPRESS

Lightning was the cause of a small fire early Friday. It struck the tower of the Navy Yard Cotton Compress in North Memphis at 1:18 a.m. and started the fire, which spread to the building proper, but a fire company was rushed to the scene and extinguished it with but little loss to the compress.

GERMANS FEAR ANOTHER REVOLT

BERLIN, April 15.—Government troops were massed in the center of Berlin last night following the return of Herr Severing, Prussian minister of the interior, from the Ruhr district, where he was sent to conduct operations. Among the units assembled were 15 tanks, 20 armored cars and several detachments of machine gunners. It is presumed this military movement was a result of rumors of a new revolt imminence.
